

NOTICE INVITING BIDS

Pursuant to statute and to the authorization approved by the Board of Directors of the Camrosa Water District, NOTICE IS HEREBY GIVEN that sealed bids for the Solids Dewatering Facility Upgrades and Site Improvements, Specification No. S 21-04, will be received by the District Engineer, at Camrosa's Headquarters, 7385 Santa Rosa Road, Camarillo, California, 93012, at or before 2:00 p.m. on November 18, 2021.

SCOPE OF WORK:

The Scope of Work for this project includes, but is not limited to, construction of a new solids handling facility at the Camrosa Water Reclamation Facility (CWRP). The work includes demolition and removal of various materials, re-grading site; vegetation removal; preparation of subgrade; backfill and compaction, construction of a new building, installation of fan press and appurtenances, electrical improvements, mechanical improvements, installation of new concrete curbs, installation of new concrete paving; installation of new AC paving; installation of new crushed rock surface; and installation of ductile iron, PVC, copper, and stainless steel piping with associated appurtenances.

The proposal shall be submitted, and the work shall be performed by a Class A State of California licensed contractor in strict conformance with Specification No. S 21-04.

A Voluntary Pre-Bid Meeting is scheduled for October 28, 2021 at 11:00 AM at the District's Headquarters.

Copies of plans and specifications may be obtained through QuestCDN online bidding service (www.questcdn.com). Plans and specifications are free to review but cost \$15 to download. **Quest project # 8048744.** All questions concerning the bid document should be directed to the District Engineer, Camrosa Water District at terryc@camrosa.com or (805) 482-8063.

Dated this 14th day of October 2021
