

## NOTICE INVITING BIDS

Pursuant to statute and to the authorization approved by the Board of Directors of the Camrosa Water District, NOTICE IS HEREBY GIVEN that sealed bids for the Camrosa Water District's Unidirectional Flushing program will be received by the District. **All bids and required submittals shall be delivered to Becca Bugielski via email ([bbugielski@mknassociates.us](mailto:bbugielski@mknassociates.us)) no later than 5:00 PM on November 22, 2023.**

### SCOPE OF WORK:

The unidirectional flushing (UDF) work includes, but is not limited to:

1. Mobilization of equipment, materials, and personnel required to execute the UDF program as specified.
2. Location of valves, hydrants, and other relevant distribution system assets.
3. Clearing obstructions around assets and cleaning out valve boxes and vaults.
4. Documentation condition and location of assets.
5. Execute the valve operation, flushing, and sample collection procedures as specified.
6. Restore the flushing sequence site to its original condition.
7. Furnish logs, daily records, and other items requested by the Owner.

All work shall be conducted in accordance with the contract specifications.

For questions, please contact Becca Bugielski via email ([bbugielski@mknassociates.us](mailto:bbugielski@mknassociates.us)). Copies of plans and specifications may be downloaded at no cost on Camrosa's website at [www.camrosa.com](http://www.camrosa.com) under the Engineering tab.
