

## **NOTICE INVITING BIDS**

The Camrosa Water District, HEREBY GIVES NOTICE, that sealed bids for the **University Well No. 2 – Drilling, Development & Testing**, Specification No. PW25-02, will be received by the District Engineer, at Camrosa's Headquarters, 7385 Santa Rosa Road, Camarillo, California, 93012, at or before 2:00 p.m. on August 21, 2025.

### **SCOPE OF WORK:**

The proposed Project consists of drilling a new water supply well along with development and testing. The well shall be drilled using the fluid reverse circulation rotary drilling method. The well will consist of an 18” stainless steel casing and be drilled to an approximate depth of 1000 feet as required in the contract plans and specifications. Contractor shall be required to complete the VC Well Drilling Permit. The sequence of construction shall be continuous and consecutive.

There will have a mandatory pre-bid meeting starting at the District’s Office held on **August 7, 2025, at 10:00 AM**, followed by site visit.

The proposal shall be submitted, and the work shall be performed by a Class C-57 State of California licensed contractor in strict conformance with Specification No. PW25-02, on file in the District's Engineering Department.

Copies of plans and specifications may be viewed or obtained through QuestCDN.com. QUESTCDN is a web-based platform for construction project advertisements. Plans and specifications are free to review, but cost \$22 to download. **Quest project # 9775792**. All questions concerning the bid document should be directed to the District Engineer, Camrosa Water District at [terryc@camrosa.com](mailto:terryc@camrosa.com) or (805) 482-8063.

Dated this 11<sup>th</sup> day of July 2025
