

Upcoming Camrosa Facilities Tour

Fall Tour

Saturday, September 19, 2026

Location

Camrosa Headquarters,
7385 Santa Rosa Rd.

Camrosa is excited to invite our community to participate in an upcoming Facility Tour! This tour is a great opportunity for residents and customers to get an inside look at the infrastructure and systems that help deliver safe, reliable daily water service.

As a participant, you will have the chance to **tour Camrosa's facilities**, learn where our water comes from, how it is treated to make it safe to drink, how it gets to your faucet, and get an inside look at the District's daily operations and long-term planning efforts. Continental breakfast & lunch will be provided, and the tour will take approximately **3 hours**.

For more information, please contact Donnie Alexander at (805) 482-8514 or email at donniea@camrosa.com. **Space is limited**, so early sign-ups are encouraged.
