

CAMROSA WATER DISTRICT

ADDENDUM NO. 1

October 13, 2026

Project: Professional On-Call Engineering Consulting Services

RFQ No.: 26-01

All Prospective Bidders:

NOTICE IS HEREBY GIVEN to all prospective Bidders that the following modifications are made to the subject project specifications.

1. **Electronic SOQ Submission**

Question: Page 2 of the RFQ states that electronic submittals are acceptable with prior approval. How does a firm obtain approval to submit electronically?

Response: Electronic submission is approved but Firms shall submit two hard copies in accordance with the RFQ and email the electronic copy as a single searchable PDF file to Luis Garcia at luisg@camrosa.com by the SOQ submission deadline. A flash drive is not required.

2. **Deadline for Questions**

Question: On page 7, item 11 states that questions regarding the bid can be submitted up to November 13, 2026, but submission instructions have a questions deadline of October 23.

Response: The deadline for submitting questions is October 23, 2026, at 4:00 p.m. The November 13, 2026 date stated on Page 7, Item 11 is incorrect and shall be disregarded.

3. **Distribution of Q&A Documents and Addenda**

Question: Is there a portal we can register on to receive Q&A documents and addendums?

Response: No registration portal is being used for this RFQ. Q&A documents and addenda will be posted on the District's website and distributed by email to all known prospective consultants. Firms are responsible for reviewing all Q&A documents and addenda issued before the SOQ submission deadline.

4. **Sample Agreement Page**

Question: Does the agreement signature page need to accompany the SOQ or is intended for award execution?

Response: The agreement signature page shall be included with the SOQ but does not need to be signed. The sample agreement is provided so firms may identify any requested modifications or exceptions for the District's review. If a firm has no requested modifications or exceptions, it shall state "No exceptions" in its Letter of Transmittal. The final agreement will be completed and executed following selection.

This addendum shall be made part of the above-mentioned project.

Firms shall acknowledge receipt of this addendum in their Letter of Transmittal. Failure to acknowledge this addendum may result in rejection of the SOQ.
